August 2011

Dear Parent/Guardian:

The Goshen Central School District is proud to provide the community with district “good news” – or information about student-related events, activities and achievements – through newsletters, media releases, the website www.goshenschoolsny.org, and social media (district Facebook and Twitter pages).

Some examples of “good news” that we like to share may include honor roll lists, unique classroom activities and lessons, music awards, academic recognitions and more. Your child’s name, grade, age and photograph may be published if he or she is part of one of these activities.

The district realizes that not all parents/guardians would like their child’s information shared. If you wish to “opt-out” and not permit your child’s photo and/or information to be shared, please complete the form below and return it to your child’s homeroom teacher **by Wednesday, September 14, 2011.**

Please note: Fill out the form below if you DO NOT want your child’s photo/information shared. If you permit your child’s photo/information to be shared, you do not have to fill out the form.

If you have any questions, please contact Communications Specialist Christina Intranuovo at 615-6765.

Sincerely,

Daniel T. Connor
Superintendent of Schools

I elect **NOT** to have the directory information/photo of my child used in district publications, media releases and the district website. **Please note that this form must be filled completely and in its entirety to ensure that your child’s information is kept private. Every field must be filled out.**

Please print clearly.
