

## Final Oral Test - 1

You will be given four topics. You will choose one topic randomly from these **four** topics. You are going to make a speech according to this topic without the help of you notes.

In class, you will be given the four topics to practice. Your task is to 1) **write out the sentences for the topics; 2)practice saying them; 3)memorize them.**

You will be given examples for these four topics.

### Topic One:

- 1) In your class there is a new student from China. You are describing that student to another student in your school.

Requirements:

- a) At least 6 sentences.
- b) Must include the new student's name, nationality, age, and at least one family's occupation.
- c) Must include the new student's attributes.
- d) Must include age comparison between the new student and you.

Also, **try to present your speech in an accurate and fluent manner.**

Example:

我有一個新同學。他的名字叫王大偉。他是中國人。他十三歲,他比我大一歲。王大偉又高又聰明。他的媽媽是老師。他的爸爸是工程師。王大偉是我的好朋友。
